

U.S. Bank Lost Luggage Insurance

Overview

U.S. Bank Lost Luggage Insurance is available to all U.S. Bank commercial cardholders or authorized travelers that book the entire cost of their common carrier travel using the U.S. Bank Corporate Card, One Card or U.S. Bank Central Travel System (CTS).

U.S. Bank will reimburse a cardholder for lost or damaged luggage if the common carriers payment for the loss or damage is less than the traveler’s claim. This coverage applies to both checked and carried-on luggage. The passengers claim must be submitted and paid by the airline before this coverage applies.

How it Works

Coverage

Consideration for reimbursement from U.S. Bank will be made only if the common carrier acknowledges the claim and makes a monetary reimbursement. This coverage applies only to losses in excess of the reimbursement from the common carrier. The maximum additional coverage provided under this agreement is \$1,250. In no case will the total reimbursement exceed the claim amount, or the reimbursement amount from the common carrier.
